

DID YOU KNOW?

Large sporting events can increase **vulnerability** and **opportunity** for sex trafficking to occur

What Does Trafficking Look Like?

- Fearful, anxious, depressed, submissive, tense, paranoid
- Not in control of own ID or money
- Cannot make decisions without significant other's say-so
- Signs of physical abuse
- Few personal possessions
- With a romantic partner who is noticeably older
- Appear to have no control over their money and/or ID?
- Defer to another person to speak for them
- Don't have freedom of movement

Trafficking hides in plain sight -

Don't Ignore It

What to do if you suspect human trafficking:

Call **911** if someone is in immediate danger

For a 24/7 survivor support, call the **National Human Trafficking Hotline** at [1-888-373-7888](tel:1-888-373-7888)

Report activity to the **Homeland Security Investigations Tip Line** at [1-866-347-2423](tel:1-866-347-2423)
